

## CT Express Sponsorship

The CT Express was created for kids with the desire to learn and play the game of basketball on a competitive level. The goals of the program are to provide an atmosphere with excellent coaching, high levels of competition, & academic focus. We offer a mentoring and tutoring program for the kids, which consist of preparation for CAPT, SAT, PSAT, ACT testing while introducing them to college forms and entrance exams.

Our basketball program currently has players from CT, MA, NY, & RI that make up our teams. In addition to the dedicated training, our basketball program has an environment that continues to promote individual confidence, self- esteem and leadership skills.

The upcoming season will consist of approximately 10 tournaments per team. Our “elite players” will have the opportunity to travel out-of-state and compete in top rate tournaments where college scouts are searching for young prospective players.

As we continue to provide an environment of learning proper skills to become effective basketball players, we do have expenses of tournament fees, uniforms, gym cost, referee fees, hotel and transportation cost. The average expense per player is approximately \$2,985. Without parents, fundraisers, community and business support, some players would be excluded from participating. The CT Express Basketball organization has asked each player and parent to seek prospective sponsors so that each player with the desire to compete will have the opportunity. The CT Express, Inc. is a non-profit organization and all sponsorship money will be used solely for the expenses of CT Express. With your donation, you will get a tax deduction and advertisement on our website and publications.
